

At Lake Country Pediatrics S.C., we strive to do, and be, the best for our families. One way to achieve this is by taking care of our planet Earth. We are happy to announce that our billing department has officially gone PAPERLESS!

Moving forward, our billing department will no longer be mailing paper statements. Instead, statements will be sent via email. However, if you wish to continue receiving paper statements, there will be a \$5 charge per statement mailed.

Please fill out the information below, or simply email the information to our billing department at [billingdept@lcped.com](mailto:billingdept@lcped.com).

If you have any questions or concerns, please contact us at 262-567-5366.
